

Become a Tucson Conserve2Enhance™ Partner

Tucson Conserve2Enhance™, a voluntary community program, connects residential and business water conservation to community action and results in watershed restoration.

YOUR ORGANIZATION IS UNIQUE.

A C2E partnership is an opportunity to align your goals with a community investment. Contact us to discuss how C2E can be a value-added partner with your business.

We can customize a unique partnership with your organization.

BENEFITS OF PARTNERSHIP

- Be a leader by investing in a vibrant landscape and engaged community.
- Receive a free water audit, be guided through rebate programs, learn water conservation tips that best fit your site, and view your water savings impact through the C2E website (a private and automated tracker).
- Save money and impact your bottom line and our region's economic vitality.
- Gain regionwide exposure for your business across the Tucson region.
- Show customers you care for our local environment and reach new audiences.
